Our Mission
• To foster interest in the natural history of the Fraser delta.
• To share and enjoy nature
• To promote environmental awareness and conservation

“Ours to preserve by hand and heart”
City of Delta
THE DELTA NATURALISTS
SUPPORT…

◊ The enjoyment of observing nature.
◊ The conservation and preservation of wildlife habitat in the Fraser River delta.
◊ The promotion of publicly accessible green space and urban forests.
◊ The promotion of nature education at public events.
◊ A Birds and Biodiversity strategy for Delta
◊ Members’ involvement in the stewardship of local parks and habitat, including construction of nest boxes.
◊ The restriction of cosmetic pesticide use.
◊ Members’ involvement in monitoring and critiquing local environmental concerns.

FIELD TRIPS

Walks are coordinated by a leader, normally without charge. We sometimes join with other naturalist clubs in the region. Delta Naturalists’ Casual Birders (DNCB) meet weekly to bird somewhere around Boundary Bay or beyond; read about trips and see photos on our blog: www.dncb.wordpress.com

DNCB Outings regularly include:
- Boundary Bay Regional Park
- Reifel Migratory Bird Sanctuary
- Roberts Bank
- Brunswick Point
- Serpentine Wildlife Management Area
- Deas Island Regional Park
- Point Roberts, WA
- Iona Beach Regional Park, Richmond

The Delta Naturalists’ Society is an affiliated member of BC Nature

ACTIVITIES

- Field trips
- Regular displays at community events
- Birds & Biodiversity Conservation Committee
- Nest box construction & stewardship
- Nature consultation on community issues

SPEAKERS

Guest speakers at our monthly meetings cover a wide variety of topics, usually with an illustrated presentation. Examples of presentations include ‘Butterflies & other bugs in Delta’; ‘Australian wild orchids’; ‘Fraser River Sturgeon’; ‘bird-friendly coffee’; ‘Amazon adventures’; and more.

We welcome everyone to our meetings at no charge. Refer to our website dncb.wordpress.com or Facebook Page facebook.com/DeltaNats for further information.
